WORK

Senior User Interface Designer at XING

Barcelona, Spain. Early 2015 - present

At XING I'm part of an international and partly remote team. My role in the company has always been more focused on **interaction and visual design** for B2B recruiting tools. Recently I was involved in **hiring processes** of new Design colleagues and overarching UX projects like **Design Systems** and **User Research** for future releases.

Founding Product Designer at TravelPerk

Barcelona, Spain. Early 2015

I was invited by the co-founder Avi Meir to join TravelPerk. My main role there was to align with stakeholders and sketch the first **wireframes**. After feedback I would also create visual **mockups** for the platform and public website.

User Experience Designer at Booking

Barcelona, Spain. Late 2014

I joined Booking to work as a User Experience Designer on Booking Suite, a new B2B product. My main role was to align features with the Product Owner, **leading user-tests** in the Barcelona office, **sketching wireframes** and then collaborating with my co-worker on **visual design**.

User Experience Designer at Log

Lisbon, Portugal. 2013-2014

At Log I worked as a consultant in companies such as Portugal Ministry of Justice, Victoria Insurance and AdvanceCare. I had the opportunity to join the company when we were restructuring our UX methodology for new projects and was involved in **Research**. My tasks ranged from the creation of **wireframes, UI mockups and prototyping**.

Internship at Biodroid Entertainment

Biodroid, Lisbon, 2012

I started working at Biodroid through an invitation of an University professor while I was taking my bachelor degree. As a Front-end Developer I was responsible for developing a Samsung Smart TV app for **London 2012 Olympic Games**. The TV app was entirely made with HTML5 and jQuery/JavaScript.

EDUCATION

Bachelor degree in Audiovisual and Multimedia

Lisbon, Portugal. 2010 - 2013

I got my Bachelor's degree in Escola Superior de Comunicação Social and joined with a High School diploma of Sciences.

HOBBIES

If I'm not working on my personal projects you'll find me travelling around. I also love photography and working out.
